17 Defendant Rocky Neves has received and reviewed the Pre-Sentence Report prepared by
18 the United States Probation Office in his case. The PSR concurs with the parties' calculations in
19 the plea agreement, and concurs with the parties' recommendation for an 18 month sentence.
20 Mr. Neves stands by the plea agreement and requests that the Court impose an 18 month
21 sentence.

22 Mr. Neves also respectfully requests that the Court make a recommendation for the
23 United States Penitentiary in Atwater, California. The Atwater Penitentiary is close to Mr.
24 Neves' family. It is also where he served much of his time on his last federal case. He has a
25 relationship with the counselors and case managers there, and he believes that those relationships
26 would be beneficial to him as he prepares to maintain his sobriety and transition into the

1 community.

2 Lastly, Mr. Neves notes that the term of supervised release in this case should run
3 concurrent to the term of supervised release imposed in 03-40148 DLJ.
